

**LOG CABIN**  
The Youth Council

## WHAT IS IT?

- The log cabin is an eco-friendly, safe area to hold youth groups and other clubs.
- The cabin will be located in the Glebe site.
- The dimensions of the cabin will be 10m x 6m plus male and female toilets, kitchen, secure storage and a veranda.

# BENEFITS

- Will protect the refectory as it is a historic listed building.
- We will be able to make the area more welcoming by personalizing it which will encourage more people to become involved.
- It will provide a safe place for youth.
- It will benefit many existing groups including; Sunday school, Rock solid(11-14),Stand firm(14-18) and cell group(18+)
- We can hire it out to other groups for activites like evening classes, drama groups, band practice, summer play scheme and a drop in centre.

## BENEFITS CONTINUED

- Multifunctional because of position;
  - central in village
  - good A370 access
  - it will not disturb people as it is not near any houses.

We are also looking into using eco-friendly was to heat and light it it like solar or wind power

# MANNING IT AND SAFETY

- It will be made of fire proof material.
- Disabled access.
- There will be a main person to look after and man the cabin, this will be the youth worker.
- There is also lots of volunteers and parents that will help.
- The painting and cleaning will be shared

# FUNDING

- Gift day everyone will be welcome to a gathering with free tea and cakes, where they can make a donation.
- Car washing.
- Love Congresbury.
- Sponsored walk/swim/bike ride/fun run.
- Entertainment day.
- Treasure hunt.
- Duck race.
- Cardboard city.

# FUNDING CONTINUED

- Donate a log.
- Balloon race.
